

Set of wireless mini sockets with remote control 2+1, IP44

Marka: **ORNO Home** | Symbol: **OR-GB-460** | Ean: **5908254844126**

PRODUCT DESCRIPTION

The set of wireless mini sockets with remote control is the solution for those who want to remotely operate the electrical devices both in the home and in the workplace as well as outdoors, e. g. in the garden.

The set enables to wirelessly switch on and off outdoor lighting, advertisements, sprinklers, ponds, electric outdoor shutters and many other devices. The modern and elegant look of black finish perfectly composes with different arrangements or any building facades.

The set includes compact in size remote control (38x80.5x13mm), which ensures convenient uni-directional operation, and two single French-type power sockets (2P+E), which are compatible with many devices. IP44 rate facilitates outdoor installation and guarantees reliable operation even in severe weather conditions. The sockets measure 55x55x80 mm each.

The remote control and the receiver are very compact in size which makes them look aesthetic. The transmitter's supply voltage (1xCR2032) and the range up to 30 m in the open field ensure stable operation in different conditions.

TECHNICAL DATA

General information:

Wireless:	Tak
Signal frequency [Mhz]:	433
Height [mm]:	38
Width [mm]:	80.5
Depth [mm]:	13
Uni-directional:	Tak
Bi-directional:	Nie
Max Load [W]:	3680
Socket type:	2P+Z
Transmitter supply voltage:	1 x CR2032
Level of security:	IP44
Socket standard:	french (typ E)
Number of wireless sockets:	2
USB charger:	Nie
Supply voltage [V]:	230
Current [A]:	16
Color:	czarny
Shutters for current paths:	Nie
Possibility of expansion:	Nie

Range in open area [m]:	30
Size:	Mini
Receiver dimensions - width [mm]:	55
Receiver dimensions - height [mm]:	55
Receiver dimensions - depth [mm]:	80
